CRABBS

Caribbean Reef Association of
Bubble Blowers St Croix

IS THE CLUB FOR YOU!

CLUB DIVES

The club arranges special monthly club dives. Club diving events always include detailed dive site briefings and an experienced dive leader. Many times we have a bite to eat afterwards.

In addition to the club dives, many members get together on their own to dive as much as conditions allow.

CLUB MEETINGS

Club meetings are held on the second Tuesday of each month at 6:30 pm at the Nature Conservancy in Little Princesse. TNC is 0.2 miles north of the 5 Corners Stop light. Turn right at the sign and go through gate up to Great House.

Meetings feature interesting presentations related to our underwater environment. December meeting is our Holiday party.

Some of the presenters we've had in the past include Amy Mackay – Leatherback Turtles, Marcia Taylor of VIMAS, Richard Ayers – "Old Bottle Guy", Kent Robards – U. S Navy Hyperbaric and Dennis Hubbard, PhD – Marine Geologist.

COMMUNICATIONS

Our website is www.crabbsvi.com where we post news and upcoming activities. Once you join you'll be part of the email network getting reminders of upcoming dives and meetings.
